Pamela NCS – Advanced Certified Newborn Care Specialist in Los Angeles

Los Angeles, Sep 14, 2020 (Issuewire.com) - Pamela NCS (https://pamelancs.com) is an experienced certified newborn care specialist and postpartum doula with over 15 years of experience. Pamela is here to serve your needs anytime and anywhere.

Pamela has been caring for singleton and preemies with her gentle touch giving the parents the much-needed rest and relaxation. She involves them in all the parenting activities to make them confident in taking care of their child.

Pamela NCS is a one-stop solution to all the parenting needs that a new parent requires. Pamela is not only a specialist in advanced newborn care for 15 years, but she has been certified in various fields of newborn care; including:

- Advanced Newborn Specialist Certification
- Breastfeeding and Lactation Certification
- Newborn Sleep Training Certification
- Trustline Certification
- CPR/First Aid Certification

The various services offered at Pamela NCS include

- 24 Hours Newborn Care: This includes tending all the newborn needs with combined overnight and daytime services. They help the baby and the parent's smooth transition into the new world of experiences.
- Gentle Sleep Training: Children have a completely different sleep pattern than their parents and this has to be adjusted to the new biological clock. They provide a customized service for your baby to develop a consistent and healthy sleep schedule.
- Lactation Educator Counselor: Breastfeeding is the most important part of newborn care regime. At Pamela NCS, they establish an initial plan of breastfeeding, at the same time they educate and coach you through the process of breastfeeding.
- Newborn Consultation: They provide newborn consultation services locally, domestic and for international travels.
- Nursery Concierge: How do you arrange the baby's room? Which product do you need to buy for the baby? Pamela NCS helps in decorating, organizing and providing all the informational resources required to buy the right products.

At Pamela NCS, for the first few weeks or months of the newborn's life, Pamela will be there. She will help the parent in the path of recovery physically, emotionally and even mentally. The market provides you with myriads of options. However, these may have financial implications for many families without much support.

Pamela NCS in Los Angeles is an expert in knowing what is essential and what is not? She understands the stages of development of the baby and recommends only appropriate products and necessities, helping you make smart financial decisions. With her vast knowledge of newborn care through experience, Pamela will help you keep your house clutter-free, assist you in reading and recognizing your baby patterns, his/her cry, body language etc.

If you want to have a great parenting experience without frustration and want to spend quality time with your baby at the same time want some time to rest and relax, then Pamela NCS in Los Angeles is the best choice.
