Metro World Child to distribute 60,000 Christmas presents in NYC through Operation Holiday Hope Drive

Based in Brooklyn, New York, Metro World Child is an international, humanitarian organization serving communities in NYC and around the world for over 40 years. Our annual Christmas program, Operation Holiday Hope, allows us to show love by giving every child in our outreach programs around the world a gift at Christmas.

Last year, we were able to reach 270,000 children through Operation Holiday Hope and of that number we had distributed 30,000 gifts to children in New York City alone.

This year has brought so many disappointments during the ongoing COVID-19 pandemic and we want to bring *Hope* to as many children as possible. ***As such, we have set a new goal for ourselves by DOUBLING the number of presents and distributing 60,000 gifts to children in New York this Christmas!***

To accomplish this challenging but exciting goal of 60,000 gifts, we need ***your help and support***.

Metro World Child staff and volunteers from across New York have been working tirelessly for the past 2 weeks wrapping and distributing gifts already.

On **December 12, 2020,** we will be having our main Operation Holiday Hope event at Metro World Child Headquarters in Brooklyn. We are inviting you to bring your friends, family but especially your little ones, to receive their Christmas gift.

Kindly open your hearts and bring joy to a child by being part of this experience, please joining us in volunteering your time on **December 12, 2020.** In addition, we are graciously accepting all donations, to help this be the best Christmas to our children in New York.

To Volunteer or Donate please follow the following links

Location: Metro World Child Headquarters

871 Bushwick Avenue

Brooklyn, NY 11221

Time: 10am

Contact Details: +1 718-453-3352 (Headquarters)

Press contact: Olivia Champion, 469-835-1274

One of the most wonderful moments at Christmas is watching a child's face glow when opening a gift and to some children, this may be the only gift they may ever receive.

We look forward to seeing you, Merry Christmas!

Please be advised all COVID-19 rules and regulations will be observed.
