

Citytech Software is now the nopCommerce Gold Partner

Citytech is now become the nopCommerce gold partner with certified nopCommerce developers

Kolkata, Aug 23, 2018 (Issuewire.com) - One of the top IT service provider Citytech Software is now the nopCommerce gold partner. After 3 long years of close relationship with nopCommerce as a silver partner and providing various complex customization, plugins, and integration with many 3rd party software, Citytech decides to go for Gold Partnership.

Citytech CEO Mr. Banthia said “with the new achievement and partnership with nopCommerce, we will help to grow the community as well as the users who are looking for the end to end solution for nopCommerce”

On the press conference, Mr. Banthia also added “Being a Microsoft Gold Partner, we have excellent resources who could extend the nopCommerce features as per business needs, we can produce the best eCommerce solution for our clients”
