# Bedrock Markets Launches Lifetime Customer Program

**Chico, California Jan 10, 2022 (**Issuewire.com**)** - Bedrock Markets launched the Lifetime Customer program to provide real market strategies and methods to maintain customer retention.

The Lifetime Customers Program provides solutions on how to convert and retain one-time customers into long-term customers. Statistically, customer retention is one of the best ways to grow and build value in any company. Like these stats below:

Studies show that retaining even 5% of a company's customer base has the potential to increase net profits from 25% or more.

A company providing exemplary customer service will have consumers spend up to 70% more on products and services.

It's been proven that businesses with above-average customer experience perform 73% better than competitors.

Bedrock Markets has been helping companies to keep existing customers and get new customers with strategic marketing plans and programs for over 22 years.
