

Dr. Tushar Pillay Sets Guinness World Record for Most Pages in a Flip Book

Hyderabad (India) based Dr. Tushar Pillay, feels pleased to be informed of being named in the Guinness World Record holder for his flip book of containing 1001 pages.

Hyderabad, Aug 27, 2018 (Issuewire.com) - It goes without saying that the pleasure of getting rewarded and honored isn't possible if one ignores hard and dedicated efforts. India's Dr. Tushar Pillay proved it recently by attaining recognition for preparing the MOST PAGES IN A FLIP BOOK work which sets his Guinness World Records in this particular area of expertise.

"India's had already recognized this irrefutable contribution of Dr. Tushar Pillay on 29 April 2018 at an event in Solapur, Maharashtra, India. Such recognitions boosted his morale to do more in this area. His contributions have been further briefed to the media that "whole experience of FLIP BOOK task completion proved an amazing one yet big challenging experience for Dr. Pillay who could finally fulfill his goal."

Dr. Tushar Pillay sheds light on it that what prompted him to prepare the FLIP BOOK with a maximum number of pages that, "an urge developed in him to express his own personal observations on the importance of the Certification through an animation story. The whole book thus revolves around the fiction story of two friends out of which one possessed certificates while the other didn't, and that both assessed their career growths in a context of their respective situations."

As Dr. Tushar Pillay briefed, completion of such a huge task couldn't be possible easily. He firmly believed in presenting something outstanding and fully focused to fulfill that dream of him and he resultantly attained recognition through becoming the part of setting the Guinness World Record. The ultimate message of this FLIP BOOK which has already been noticed by the world is that 'everyone should strive to complete at least one certificate each year to further smoothen their respective career perspectives and thus attain bigger goals in life.' Perhaps, that was the main motivational factor which added additional value in his project for which he has already been confirmed the first successful attempt to set in Guinness World record.

Indeed, it is a matter of pride for me that making this world record contributes to the nation's global recognition through an individual attempt by the Guinness World Records, further emphasizes Dr. Tushar Pillay on this great achievement.

Dr. Tushar Pillay Sets Future Plan

With this recognition boosting his morale, Dr. Tushar Pillay aims to propagate strong message through the 300-paged published book (All about the Certifications) thus spread this ambitious idea why certificates are crucial for career graph successes.

Being facilitated at the Indian Record Holder at the World Stage event in Delhi on behalf of the World Record Union, Dr. Tushar Pillay is in the league of Top 100 record holders from around the world. Earlier too, he set a national record for Most certificates attained- 111 in the count.
