Sudipta Mohanty, MD, an Internist with Beth Israel Deaconess Medical Center

Get to know Internist Dr. Sudipta Mohanty, who serves patients in Boston, Massachusetts.

New York City, New York Feb 3, 2022 (Issuewire.com) - A devoted internist, Dr. Mohanty is affiliated with Beth Israel Deaconess Medical Center in Boston, Massachusetts. He also serves as an Instructor of Medicine at Harvard Medical School.

Beth Israel Deaconess Medical Center (BIDMC) is a world-class teaching hospital of Harvard Medical School and is located in the heart of Boston. It is part of Beth Israel Lahey Health, a new health care system that brings together academic medical centers and teaching hospitals, community and specialty hospitals, more than 4,000 physicians, and 35,000 employees in a shared mission to expand access to great care and advance the science and practice of medicine through groundbreaking research and education.

Beginning his professional pursuits at the University of Pennsylvania Perelman School of Medicine, Dr. Mohanty went on to further his education by completing an internship and residency in internal medicine at the Riverside County Regional Medical Center.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Speaking multiple languages, Dr. Mohanty is fluent in English, Thai, Spanish, and Russian.
