Prolific author releases 3 new children's books

Daphne, Alabama Aug 18, 2022 (Issuewire.com) - Prolific author and educator, Dr. Rayna M. Gangi, releases three children's books. The latest is The Farm which follows her intention of sharing nature with children in a unique way. Each page contains a photo and rhymed verse that not only teaches but enlightens. The Farm has animals, vegetables, and fruits, "spirits one would expect to find on any farm." Their messages and spiritual reasons for being are apparent and memorable in the rhymed verses. In the children's book genre she has also written Birds and Bugs, The Sky and Your Earthwalk, and several others. Known for her holistic approach to health, she's also the author of Forget the Cures, Find The Cause. And her passion for history gives us America, It Was Just an Idea, and Mary Jemison, The True Story. "I want kids of all ages to look from their technology and learn about the world around them that is a gift."Children, teachers, and parents love these books and are encouraged to use them as teaching tools.
