

Northern Virginia Contractor to Award Scholarship for Felons Pursuing Skilled Labor

Fairfax, Aug 27, 2018 ([Issuewire.com](http://www.Issuewire.com)) - Phoenix Home Services, Inc., Northern Virginia's Premier Home Improvement Contractor, is thrilled to announce the Phoenix Home Services Felon Reform Scholarship.

Recognizing the many hurdles that individuals with felonies face, especially when reentering the workforce, Phoenix Home Services has chosen to award a \$1,000 scholarship to one individual seeking education, training, or certification in a home-related trade, such as carpentry, masonry, or HVAC. Applicants will be asked to share their story in no more than 2,500 words.

"It's human nature to make mistakes and more often than not, it's also human nature to feel remorse for those mistakes. Everyone deserves a second chance and we are proud to be able to help at least one person get that chance by joining the high-demand, skilled-labor workforce," says Clint Asmar, Owner & Lead Designer of Phoenix Home Services.

Applications will be accepted through Going Merry, where individuals will also be able to make donations towards the fund, dispersed, up to \$500 per person, to additional winners.

The application process will begin on August 1, 2018, and ends on November 4, 2018, at 11:59 pm. Winners will be selected within two to four weeks.
