MUSE AWARDS

FRIDAY 28TH SEPTEMBER

New York, Sep 18, 2018 (Issuewire.com) - The BK Style Foundation launches its SS2019 fashion week with the “Power of Influencers Awards” by honoring the legends of our time in partnership with Live-N-Direct TV. With diversity and inclusion as it’s hallmark, The BK Style Foundation will debut an awards ceremony for our icons, whose work has served to motivate others in industries related to film, art, philanthropy, business, and fashion. The ceremony will take place September 28th, 2018 at the Brooklyn Borough Hall from 6:00-9:00pm. The event will be hosted by the office of the Brooklyn Borough President (Eric Adams).

This 1st annual Muse Award Ceremony celebrates Brooklyn’s diversity and culture especially for those who have inspired our community while supporting and uplifting the marketing of the Brooklyn borough. Honorees will include Rap legend *Lil Kim* alongside artist *Young Paris*, and Clothiers *MOSHOOD*, to name a few. Still, in its infancy, the Muse Awards is a celebration of leadership in Brooklyn culture. The Muse award recognizes its honorees as artists, creatives and influencers that have continued to shape our community as well as to inspire those less served.

BK Style Foundation has put together a star studded evening to celebrate the icons and influencers with catering by a celebrity chef later to be announced. A performance by The Muse Brooklyn Circus, Young Paris and a miniature runway show featuring two iconic Brooklyn designer brands - BK Circus and MOSHOOD is expected to follow suit.

“The BK Style Foundation is elated and motivated to acknowledge the people that inspire our community. The Muse Awards and the Foundation will continue to support the wealth of talent in our community” says a rep of the BK Style Foundation. “To leave a legacy with this style of ceremony is everything we could have ever hoped for”.

The BK Style Foundation promises to “inspire the next generation to believe they can aspire to achieve anything they can imagine with dedication and hard work” says BKSF Founder and CEO, Rick Davy.
