Hyderabad, Sep 25, 2018 (Issuewire.com) - Health is wealth and the world has given us amazing doctors to bestow health on us every time we fall sick or suffer any health issues. But the rising cost of health care, including the doctor's fee, has become a serious concern now. Fortunately, the advent of

digital healthcare platforms is offering us a number of options and cost-saving modes of seeking healthcare services that are accessible too. In this regard, Zoylo a well-known digital healthcare platform has brought the biggest offer on **online doctors** consultation. Book an appointment for **online doctor consultation, India on Zoylo** and get 50% Paytm cashback.

The offer brings a number of verified and experienced doctors on Zoylo platform and people from any location in India can book an appointment to **consult doctor online**. You can make the appointment booking through Zoylo website or the app and get connected with doctors online at your convenience. You can choose to **chat with doctor online**, **talk to a doctor** over the phone, or opt for a video consultation. Once the consultation is successfully done, the cashback amount would be credited to your Paytm wallet. The variety of options to seek **online medical consultation** and the ease to access them is really adding to users experience and simplifying their health needs in a significant way. And the icing on the cake is that post consultation, you can order medicines online for doorstep delivery or book lab tests online with home sample collection facility, through the same platform.

With this amazing offer on **online doctor, India**, the end users are getting immensely benefitted in saving their precious time and effort through online doctor consultations. There is no need to face the honking of horns in the traffic and waiting for long hours in the doctor's clinic. You are empowered to **ask a doctor online** at your convenient time from the very comfort of your home. It also gives a more private setting to a patient to discuss the health issues with the doctor. For regular follow-ups, second opinion, elderly preventive consultations, diabetic follow-ups, pediatric and other specialties, consulting a doctor online can be really very efficient. Furthermore, you are no more limited to your own geographical area and can choose to seek **online doctor advice** from your choice of doctor located anywhere. Thus, enable yourself to have the comfort of consulting the best healthcare specialists online irrespective of your geographical limitations.

Users can avail this [50% Paytm cashback offer on online doctor consultation](#) on Zoylo and, at the same, time get benefitted with their online healthcare profile which can be referred anytime in the future. The registered users also get timely notifications and updates about any upcoming offer on Zoylo services which is on a mission to offer simplified healthcare solutions to the users across the country in the most affordable way. So, wait no more. Meet you pending healthcare needs and requirements while saving huge on the doctor's fee.

About

Zoylo Digihealth took its origin in 2015 with an aim to enrich the healthcare industry in India with a digital touch. It is emerging as a one-stop digital healthcare destination offering a number of healthcare services to the people increasing their access to quality care through a digital medium.
