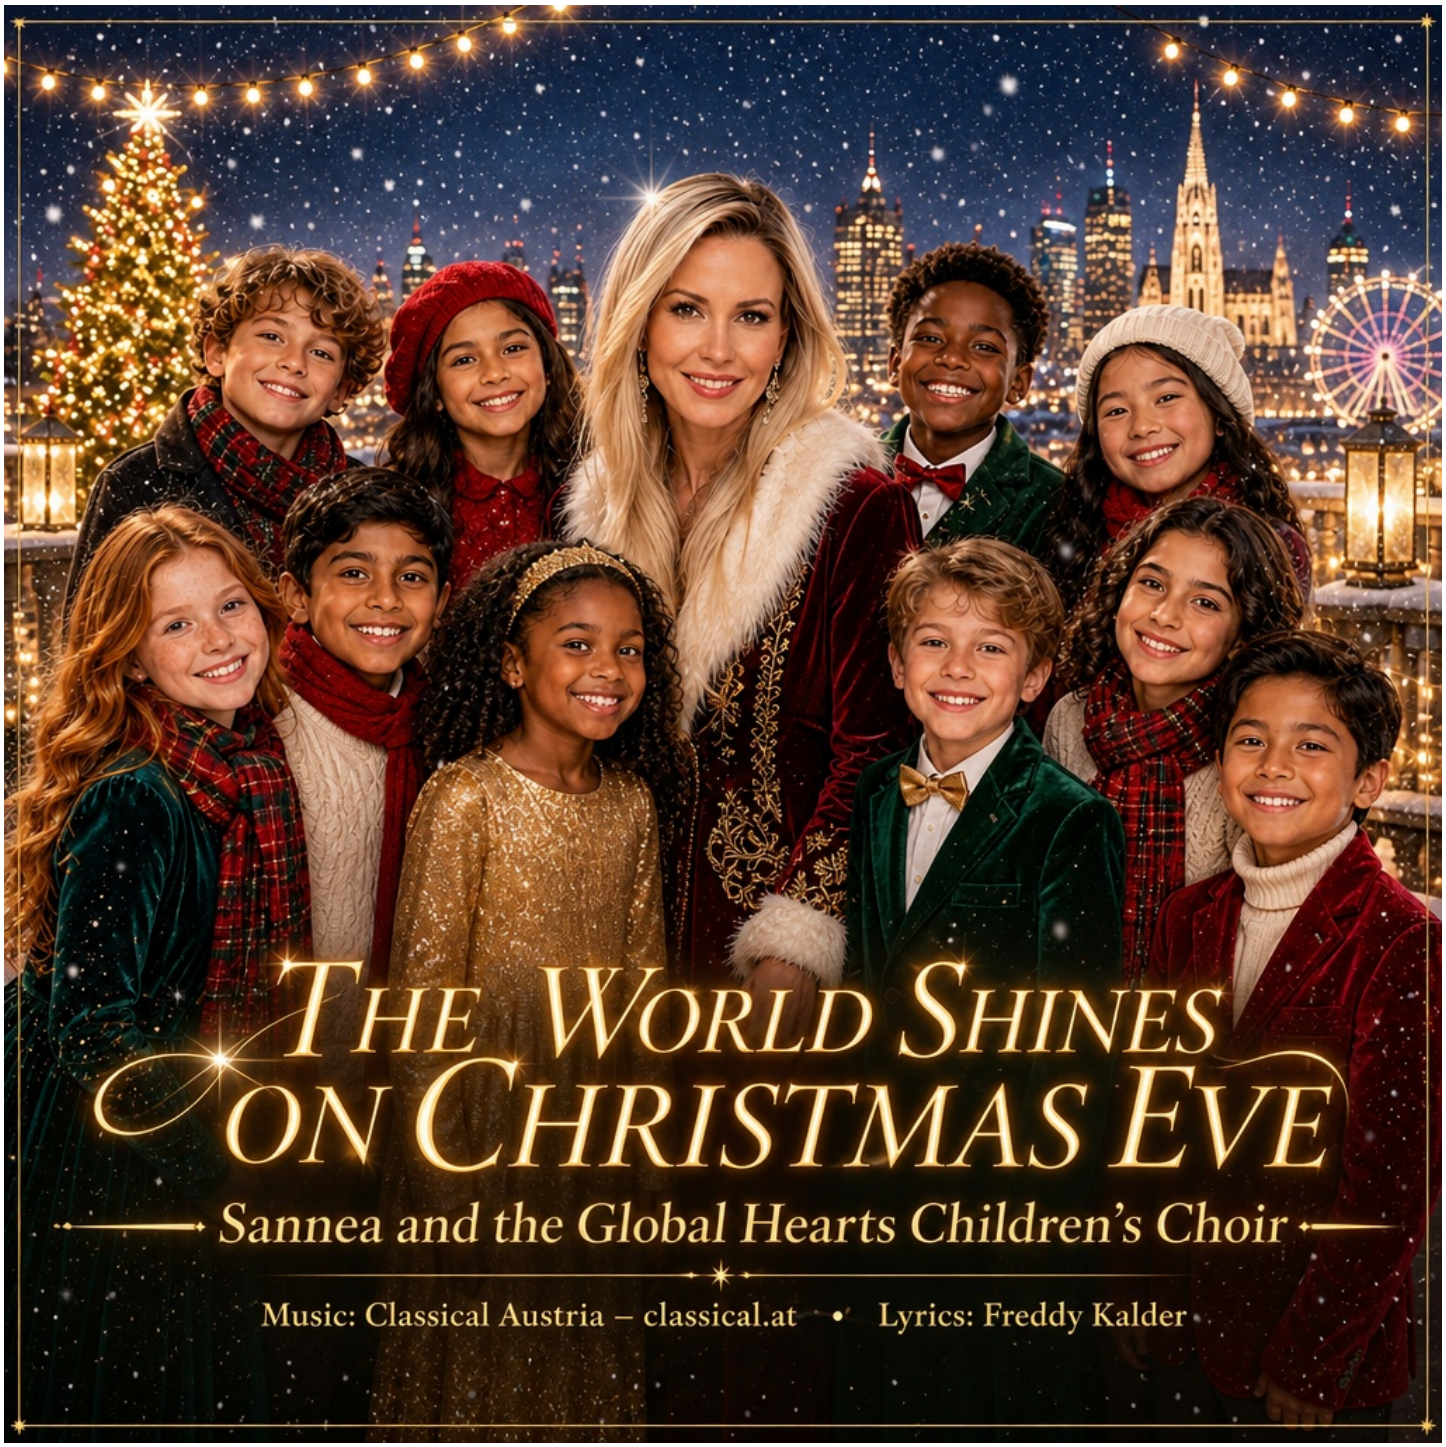
Sannea and the Global Hearts Children’s Choir Bring a Message of Hope Through 'The World Shines on Christmas Eve'

Sannea and the Global Hearts Children’s Choir celebrate Christmas early this year with ‘The World Shines on Christmas Eve’, currently streaming on YouTube.



Sinsheim, Nov 28, 2026 (Issuewire.com**)** - Holiday, especially Christmas music, is known for bringing everyone together with its cheerful vibe and optimism. **‘**The World Shines on Christmas Eve

’ by **Sannea** and the Global Hearts Children’s Choir captures that spirit perfectly. This new single is available on YouTube, and the eccentric composition has already gathered attention from viewers all around the world. This modern Christmas anthem celebrates the warmth of togetherness. It reminds listeners of the importance of sharing kindness, especially during a season that holds so much meaning for people all over the world.

With its buoyant composition, the song creates a festive atmosphere and brings out heartfelt messages. Although there is no shortage of holiday music filling the air with cheerfulness, the artist has successfully created a reminder with this new release that the greatest gift we can give one another is love. Moreover, she further encourages her listeners to carry the same spirit and compassion into the next year as well. This sweet and thoughtful gesture presented in every line of the track is what makes this creation so beautiful, so powerful.

The song is centered around **Sannea’**s deep and soulful voice, making each and every verse even more impactful. At the same time, it also brings warmth and emotional depth to her amazing performance. The vocal delivery is extremely expressive, which gives the song a more sincere vibe. Moreover, it helps the message of hope and unity to connect with the audience naturally. The radiant vocals of the Global Hearts Children’s Choir add another dimension to the track. It brings out the youthful spirit, creating an inspiring sense of collective spirit. Together, their presence strengthens the central theme of the song even more. The contrast between Sannea’s soulful lead and the children's choir highlights an engaging vocal arrangement, which is truly the soul of the song.

‘The World Shines on Christmas Eve’ takes a fresh approach to traditional Christmas sounds. Music by Classical Austria (classical.at) combines Christmas pop influences with lively rhythms and sparkling bells. Freddy Kalder’s lyrics complement the music as well as the vocals presented by **Sannea** and the Global Hearts Children’s Choir. Altogether, this combination makes the song etch even deeper in memory. Listen to the song on **YouTube** and bring the spirit of Christmas early this year!
