Solaire Resort Entertainment City Ushers in the Festive Season with the Grand Return of Mega Brunch

Five signature dining destinations converge for one grand festive feast, featuring mega-sized culinary creations, live entertainment, a special grilling showcase with Nico Bolzico, and a poolside bazaar on December 12

Manila, Luzon Nov 24, 2026 (Issuewire.com) - The pleasure of gathering takes on a grand scale as Solaire Resort Entertainment City welcomes the return of *Mega Brunch*. Following the success of its debut last March, the much-anticipated event brings together food, entertainment, and lifestyle for a day of indulgence, inviting families and friends to come together for a larger-than-life culinary affair in one premium destination.

At the heart of the experience is a gastronomic ensemble spanning five of Solaire Resort's signature restaurants—Fresh, Red Lantern, Waterside, Oasis Garden Café, and Pool Bar & Grill. Each presents its distinctive identity to one remarkable buffet, taking guests on a journey through international dishes, celebrated specialties, and imaginative *mega*-sized creations. From the finest delicacies to giant interpretations of familiar favorites, the breadth of offerings makes every turn an invitation to discover something new and exciting.

The experience begins at the Sky Tower Lobby where dedicated oyster, French black truffle, and cheese and charcuterie bars set the tone for an afternoon of epicurean delight. A signature foie gras

station adds an element of culinary theatre, while the iconic Solaire Prosecco wall brings a touch of playful luxury and sophistication. At the ring of a bell, a white-gloved hand emerges to serve guests free-flowing Prosecco, setting the stage for a celebration defined by exceptional ingredients, thoughtful craftsmanship, and Solaire Resort's world-class hospitality.

At Fresh International Buffet, festive abundance is celebrated in its finest expression with an array of Filipino and international offerings. For seafood lovers, poached and grilled seafood bars present an assortment of fresh ocean delicacies, while whole-roasted turkey and lechon share the spotlight with a spectacular two-meter Beef Wellington. At the Nikkei Market station, Latin and Japanese influences come together in oversized sushi varieties.

At Red Lantern, the artistry of Chinese cuisine takes on a festive twist through its acclaimed dim sum selection, a live hand-pulled noodle station, alongside traditional Chinese specialties prepared for the occasion.

Waterside presents generous interpretations of Western favorites, including a *mega*-sized burger and a show-stopping giant Solaire hot dog. Complementing these are dedicated stations serving authentic paella, tacos, nachos, and sangria, presenting an enticing variety of global flavors to satisfy every craving.

The sweeter pleasures of the season await at the sunlit atrium of Oasis Garden Café, where an elaborate dessert showcase brings holiday comforts and nostalgia to life. Highlights include Christmas Yule logs, a chocolate bar inspired by the Christmas villages of Europe, and a live Korean Bingsu station. Imaginative presentations and elegant desserts by Solaire's seasoned pastry chefs make this brunch a whimsical feast for both the eyes and the palate.

For a more leisurely outdoor experience, Pool Bar & Grill brings the traditions of open-fire cooking to the forefront. Premium grass-fed Bolzico Beef and whole lamb roasted Gaucho-style pay tribute to Argentina's celebrated grilling culture. Adding a personal touch, Bolzico Beef founder, entrepreneur and beloved content creator, Nico Bolzico joins the festivities for a special appearance. Guests can gather around the grill, interact with Nico, and encounter the flavors and convivial spirit of an authentic Argentine asado, alongside a special bar takeover showcasing Cointreau, Loka Loca tequila, and other refreshing premium beverages.

Beyond the table, the celebration extends to a festive poolside bazaar, where guests can discover a curated selection of seasonal and thoughtful gifts ahead of Christmas. From handcrafted slippers and bags, jewelry, and accessories to fine linens, fragrances, customized souvenirs, and upcycled creations, the bazaar offers an opportunity to browse and discover distinctive pieces, while embracing the spirit of holiday giving. Live entertainment provides a spirited backdrop throughout the day, adding to the festive atmosphere. Little guests can enjoy their very own arts and crafts corner, a fun and creative space to play and unwind between brunch rounds.

As the holiday calendar fills with celebrations and year-end commitments, *Mega Brunch* offers a welcome opportunity to reconnect with family and friends before the season gathers pace. Whether marveling at new culinary creations, enjoying the spectacle of live cooking, or enjoying meaningful conversations around the table, the celebration captures the spirit of the holidays through generous hospitality, unforgettable moments, and the excitement of sharing something extraordinary.
