

## Feel The Electrifying Energy In The Beats And Songs Of THE VOIDED

Do you want to listen to some amazing electronic music? Then you must listen to THE VOIDED. They are rocking the music world with their dazzling presentation.

**Dallas, Dec 31, 1969** ([IssueWire.com](http://IssueWire.com)) - THE VOIDED are the new rising star in the world of electronic music. They are creating a buzz in the music world with their brilliant performance. There is a rise in weight and energy in the songs. Everything in the song rises with the intensity of the music

to the lyrics that showcase the love for the art and are genuinely inspiring. The vibes in his songs create an amazing ambiance. The beat in his songs are distinctly original, calm and the songs are softly heartfelt. Their songs have the realm of pure energy and movement. The vocals are powerful, shining through the heavy mix and highlights the lyrics depth of the song.

One of [THE VOIDED](#)'s remix song '[Next To You](#)' is creating a buzz in the music world with his brilliant performance. This song is originally sung by Dirty South. The performance and the lyrics of this song are meeting its highest bar with its simplicity. The soundscape in their song never falls into the trap of complacency. Their tracks have brilliant sense3 of rhythm. The rhythm of their songs grows more and more appealing. There are certain moments in the song which are quite addictive and really interesting to witness. The contrast between the thickness of the beat and the lightness have higher end of synths.

**THE VOIDED** songs have well-crafted lyrics and their songs have a beautiful mix of music. The energy in the songs revolves around something which is more distant and thoughtful. Their songs begin with a fairly familiar, electronic, synth-wave of ambiance. Some of their most famous songs are 'Oceanlab- Satellite', 'Dirty South- If It All Stops', 'The Beatles- Eleanor Rigby' and many other songs. They are giving tough competition to the other artist in the music industry. If you liked their music and want to get more updates then follow them on Facebook, Instagram, and Soundcloud.
