

## Magnus Group takes immense pleasure in inviting all participants to World Nanotechnology Conference

World nanotechnology Conference is going to be held from 15 April -17 April 2019 in Dubai

**Dubai, Sep 17, 2018 ([IssueWire.com](http://www.IssueWire.com))** - Magnus Group takes prodigious pleasure to invite you to participate in the 'World Nanotechnology Conference' scheduled on April 15-17, 2019 in Dubai, UAE. The conference aims to review their knowledge, experience and share new ideas amongst the professionals, Industrialists and students from research areas of Nanoscience and Nanotechnology and take active part in the interactive discussions and technical sessions at the conference with the theme "Presenting Excellency of Nanotechnology to transform the World".

World Nano 2019 will furnish you on the latest trends and keeps you up to date on the newest advances in Nanotechnology. A unique aspect of the event is to emphasize research and clinical practice that include Nanobiotechnology, Nanomaterials, Nanomedicines and many more offering deeper coverage of interventional procedures for those in the field of Nanoscience.
