YouTube channel known as Music Marinade hits back with their new video 'Jason Mraz- I'm Yours (Restrung)'. Their video is already trending on YouTube worldwide,

New York, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - Popular YouTube channel [Music Marinade](#) has come up with their latest music video '**Jason Miraz-I'm Yours (Restrung)**' which is part of their new series known as Restrung. This video was published on 22nd September by Music Marinade and it has gotten viral instants since then. The original song 'I'm Yours' is actually sung by the artist Jason Mraz which is then engineered and produced by Shubham Kamat, concept arrangement and music directed by Uday Bhardwaj and Chanakya Medh. The lead vocals are performed by Chanakya Medh and the backing vocals by Uday Bhardwaj. The whole song in the music video is directed, mixed and mastered by Shubham Kamat. The music heard in the video is recorded from scratch with instruments at the EQ Jam Room in Vadodara, Gujarat which is in India.

This music video '[Jason Miraz-I'm Yours \(Restrung\)](#)' presents a beautiful balance in the tone between gentle and powerful and it offers a very pleasurable music experience even before you get yourself familiar with the lyricism and melody-line. Once you start listening to the music in this video it showcases a lot of creativity and thoughtfulness that intends not to entertain but to soothe and to inspire as well. The underlining acoustic aura paired with the peppy and positive energy of pop music genre tinged with the subtle addition of the atmospheric reverb soaked guitar.

The music stays mellow, soothing and warm and easy to get into. The mood remains and works perfectly with overall theme and concept of the video. The story-telling remains consistently very pure and honest and there is certain optimism to the style. There is undeniably a loving energy about it all. The video presents a continuous ambience and stunning vocal performances. The progression of the verses has very rhythmic and captivating sense of movement to it. There is a certain reflective mood to the whole video. The organic sound of the guitars and other instruments keep you coming back for more.
