West Midlands, Sep 6, 2018 ([IssueWire.com](http://www.IssueWire.com)) - There is no doubt that Youtube has become a revolutionary platform for creative people to showcase their talent, it is a great platform for vloggers who post & host videos that document their real-life activities. Amongst numerous vloggers, the recent YouTube sensation is an Emirati teenager Mohammed Hasan Nawaz who is best known for his YouTube channel NAPTOR Vlogs. Hasan Nawaz is a lifestyle vlogger with his daily vlogs

featuring his love for luxury cars and brands and food. He is cool, young motivated and has a very good fashion sense. His first vlog was back in 2017 where he shared some of his family activities, introduced his grandfather and family and so on. His channel today has numerous vlogs each of which is different from one another. His communication skills are excellent and prove that he is very friendly in nature.

Apart from showcasing and boasting his Range Rover, GTR & Lamborghini, or shopping endlessly in Gucci stores in Dubai Mall, some of the vlog episodes prove his humanitarian approach. Hasan Nawaz is very charitable and has shown some alluring gestures to help the needy and underprivileged people in Dubai. NAPTOR YouTube channel has over 140,000 subscribers, enough to prove his stardom all around the world.

Hasan Nawaz has also collaborated with another famous YouTuber called Mohamed Beiraghdary better known as MoVlogs who is one amongst his contemporaries. He is also from Dubai and both NAPTOR and Movlogs share some common interest, especially love for luxurious automobiles. He has also dedicated many of his episodes for his fans and also surprised them with great giveaways. In a nutshell, NAPTOR Vlogs is the best channel that showcases the rich and elite lifestyle of multi-millionaire Hasan Nawaz. The editing of the videos are very good and professional that are balanced with flawless narration great background music. For entertainment unlimited subscribe to
