Dubai, Sep 27, 2018 ([Issuewire.com](http://www.Issuewire.com)) - TaraSafe, The largest manufacturer of Flame Resistant Clothing from India, today announced its participation in NSC Expo 2018, one of the world's largest safety events in North America. This three-day event will be held on October 22-24, 2018, at the George R. Brown Convention Center in Houston, Texas.

Tarasafe's team at the Expo would comprise of the marketing top brass and the directors of the company, including Basant Lohia, MD, co-founder, Vivek Lohia, Director, co-founder and Manish Bhartia, Marketing Manager.

"Our attendance at NSC Expo underscores our dedication to provide the best and most technologically advanced protective solutions for Fire Hazardous Industries. Last year we had participated in NSC for the first time and it was an amazing experience – both in terms getting some valuable insight into the North American Protective Clothing Market as well as making some excellent connections. We were absolutely certain of making this event a permanent feature in our annual calendar." said Vivek.

Exhibiting this year at booth #301, TaraSafe will be unveiling a completely new range of U/L Certified, NFPA 2112 certified garments in addition to its existing portfolio of Electric Arc Protective Clothing And ANSI 107 compliant garments for High visibility. Frequent regulatory changes and an increasing focus on ergonomics and wearer comfort are driving a massive change towards newer and more efficient garment designs across the world. Every industry, every geography has its own unique needs and must be evaluated and approached according to their specific requirements. As one of the leading private label manufacturers, TaraSafe has been at the forefront of these efforts, starting from the evaluation of hazard risks and safety regulation requirements to custom product development and final supply of safety apparel.

TaraSafe representatives will be available at the booth for additional inquiries and in-booth presentations throughout the event. An appointment can be made in advance by filling out the meeting request form available at <https://www.tarasafe.com/nsc2018.html>.
