Our uniforms come in an array of colours and sizes to suit all needs. We also offer an embroidery service so you can tailor your beauty

uniform & scrubs with your company logo or your name.

Furthermore, Kara provides some of the best medical scrubs and [nurses uniforms in UK](#). As exclusive dealers of WonderWink within the UK. We seek to provide the best quality scrubs available in the UK at affordable prices. Medical Scrubs have a long history in the UK. Before medical scrubs, a doctor or even a surgeon, like others in the professions of the day would wear a suit and tie to work. The idea was to instil confidence in patients that they were in safe hands. But with the rise of germ theory, the medical community started to wear medical scrubs instead. At Kara, we believe in only supplying medical uniforms and nurses' uniforms of the highest quality from brands such as Wonderwink that share our ideals and values. As a result, we believe that we can once again make medical scrubs Fit for Work.

We also have different scrub sets. These scrub sets include wonderflex men's V-neck and straight leg scrub set, wonderwork men's V-neck and Straight leg scrub set, wonderwork Women's V-neck and cargo scrub set and wondertechwomen's scrub set among other scrub sets. In addition, we also have designer scrubs like national health unisex scrub trousers, national health unisex scrub top and [wonderTECH mens scrub](#) set among other designer scrubs. We offer an exclusive delivery service on selected items to practice postcodes across the UK. We guarantee two days delivery.
