

Vivekk Vikas Photography Rendering Versatile Wedding Photography Services

New Delhi, Sep 18, 2018 (Issuewire.com) - Legendary photographer, Dorothea Lange says "Photography takes an instant out of time, altering life by holding it still." The most precious moments in life deserve to be captured and one such occasion is the wedding. Wedding photographers are those magicians who capture these moments and make them stay in your life forever.

Vivekk Vikas Photography is a trailblazer in the world of wedding photography in India. Having been in the industry for almost 4 decades now, this team is an institute in itself. They are the masters of candid and professional wedding photography, delivering highly satisfactory services to a long list of clients over the years.

The creative director, Vivek Puri proudly recollects the time when their father laid the foundations of this business. What began as a photo lab in the 1980s has now evolved into a multifaceted enterprise that has a global presence. Over these decades the company has remained relevant in the market by adding new services to their armor.

Vivekk Vikas Photography is very much a family run business where different members take care of niche services that the company caters to. The 4 member core team consists of Mr. Vivek Puri who is the creative director and his brother Mr. Vikas Puri is the producer Director. Mr. Anjalica Puri is the Lead Choreographer and Mr. Tony heads the Cinematography department. The team also consists of versatile professionals whose passion and skills truly make them dynamic.

When asked about how Vivekk Vikas Photography is a class apart from various other service providers out there, their creative director, Mr. Vivek said, "Our services portfolio helps the clients to understand and decide on the best-suited editing design and layout solutions for their wedding shoots." This is evidence of the distinct mindset of the team and how they believe in delivering unique and customized services to every client rather than trying to fit them into set patterns.

A wide array of wedding photography related services can be availed from this team. Their services include pre-wedding photography, candid photography, destination wedding photography, cinematography and much more. Vivekk Vikas Photography offers their service across India and globally. Their latest endeavor is directing fairytale-like wedding videos that are highly creative and theme based. Clients can mix and match the service to best suit their requirements.

The company's vision is aptly reflected in the statement of Mr. Vivek when he says "It's a big day, it's the start of a new life. A big change as families is bonded. Each moment is precious. Fireworks in the air and everywhere. We will capture them all even if you were elsewhere."

Ranked as one of the best [candid wedding photographers in Delhi](#), Vivekk Vikas Photography continues to receive praise and appreciation from their clients for the spectacular work that they are doing.
