

## Were Launching in the UK as a NEW Mobile telecom provider

'Smile Network, a new SIM ONLY network for UK Consumers'

**Basildon, Sep 16, 2018 ([Issuewire.com](http://Issuewire.com))** - Smile Network UK is taking advantage of an opportunity within today's mobile society is to become a highly distinguished and recognized network provider in the mobile communications industry. It is the goal of Smile Networks directors Cody and Tommy's vision to become established as the leading distributor of mobile communications services across the United Kingdom. In order to achieve this goal, Smile Network critical success factors will be to identify emerging trends and integrate them into Smile Network operations, respond quickly to technology changes/be there early, provide high-quality services, progress more into investing time and money in marketing and advertising, continue to expand into specialty markets, and stay ahead of the "mobile phone technology curve." Our current head office is located at 379 SoutChurch Road Southend on sea Essex ss1 2pq.

Smile Network and other Providers sources of revenue are derived from the sale of Mobile communications services to consumers, the sale of sim only products and soon mobile phone accessories and co-brands (revenue sharing). In comparison to other start-up companies of recent years, Smile Network and other network providers have done very well.

### SMILE NETWORK OBJECTIVES

Smile Network consumer connections growth. Smile Network to established as the leading distributor in the UK. The possible number of retail stores throughout the UK by 2020

*Timing is critical in the mobile industry, however. Smile Network is taking advantage of an opportunity to become a highly distinguished and recognized industry leader of sim only products because of certain key advantages:*

- The team at smile has a unique combination of business knowledge and experience in this market.
- Smile Network has combined its expertise to offer services for every type of customer in this credit-sensitive industry by offering 'NO CREDIT CHECKS to everyone who applies'.
- Smile Network PR team are in talks with partnering with leading companies that are great brand promoting and having sponsorship kind of relationship within the UK.

**Smile Network SIMO retail prices are competitive and affordable for all walks of life for the consumer. visit [www.smilemobiles.co.uk](http://www.smilemobiles.co.uk) for our current consumer price plans**

Smile Network has also established a pricing and commissions structure for all new sales representatives and distributors who work at a smile. When we grow we have the vision to expand and reach business and get there whole company employees connected with a smile for a fixed fee with restrictions to a set capped data allowance per sim, this will enable us to order from businesses in bulk, this then enables smile network to reduce its cost of sims sold, increase revenue, and pass on the savings to businesses and consumers.
