BE INSPIRED
SUPERCHARGE YOUR CAREER

2 DAYS **100+** SESSIONS **150+** SPEAKERS

 **EUROPEAN WOMEN
IN TECHNOLOGY**

28-29 Nov 2018
RAI, Amsterdam

SchipolRijk, Oct 22, 2018 (IssueWire.com) - Maddox Events has announced that [European Women in Tech](#) will return for the 3rd year running on the 28-29 November at the RAI, Amsterdam, following sell-out conferences in 2016 and 2017.

Over 3,000 women in tech are scheduled to attend. The conference will be two days of empowering keynotes, deep insight into tech trends and business strategies, technical classes and career development workshops.

[European Women in Tech](#) is created by the world's only events company dedicated to championing diversity in the industry and the creators of the world's largest Women in Tech event series.

Confirmed speakers currently include:

- Enterprise Solutions GM, EMEA, **HP Inc.**
- Head of Customer Service Management, **Fujitsu Technology Solutions**
- Global Diversity and Inclusion Head, **Nokia**
- Lead Data Scientist, **Deutsche Post DHL Group**
- CRO, **Pipedrive**
- Creative Engineer, **Google**
- Principal Engineering Manager, **Microsoft**
- Technical Leader, **ASOS**
- Senior Product Manager, **TomTom**

... and many more.

[See](#) full speaker list.
