

Limited Time Offer For Chef-Endorsed I.O. SHEN Knives And Sharpening Solutions

Henderson, Oct 15, 2018 (IssueWire.com) - I.O. Shen is one of the restaurant industry's most respected brands due to the value, durability and precision of their products. Their artisanal knives and knife-sharpening solutions are available for a rare, limited-time sale through Amazon.

Dull, worn knives only add more stress to the holiday season. The I.O. Shen collection of knives and knife-sharpening solutions are handcrafted to give you exquisite and precise cuts for a longer period of time. I.O. Shen is committed to the development and accessible distribution of these respected knives. This month, Master Grade is holding a rare, limited-time sale on Amazon that gives chefs discounts on [I.O. Shen knives](#) and sharpening solutions.

Save 10% on the I.O. Shen Knife Collection, Master Grade Sharpener, and Electric Knife Sharpener when you use promo code LOVEIOSHEN on [Amazon](#). You can also get 30% off the Master Grade Manual Sharpener when you use promo code P6TGPYST on Amazon. But hurry, because these exclusive sales will only last until October 31. Chefs, restaurant owners and home cooks who want to invest in one of the most popular brands of handcrafted knives can now get this collection with just a few clicks. I.O. Shen has won awards for Best Function and Value in a Knife. Take advantage of these limited time offers and see why for yourself!

I.O. Shen creates [high-quality knives](#) through an intricate process that involves three layers of hard steel blends. Each knife is made over the course of seven hours; the precision and care that goes into each piece enforce its strength and durability. Knives have a unique Tai Tang handle that improves the balance and stability in every cut.

This is the best time to bring one of the industry's most respected knife brands into your kitchen. Don't wait—this is the last time you will be able to get these renowned knives at a discount before the holiday season.
