

Multi-Skilled Artist Gxlden Child is Back with a Magnificent Single 'My Slime'

Rising artist Gxlden Child has made his comeback with 'My Slime' on SoundCloud platform. This single is the first track from his upcoming album 'Lost in Helladise'.

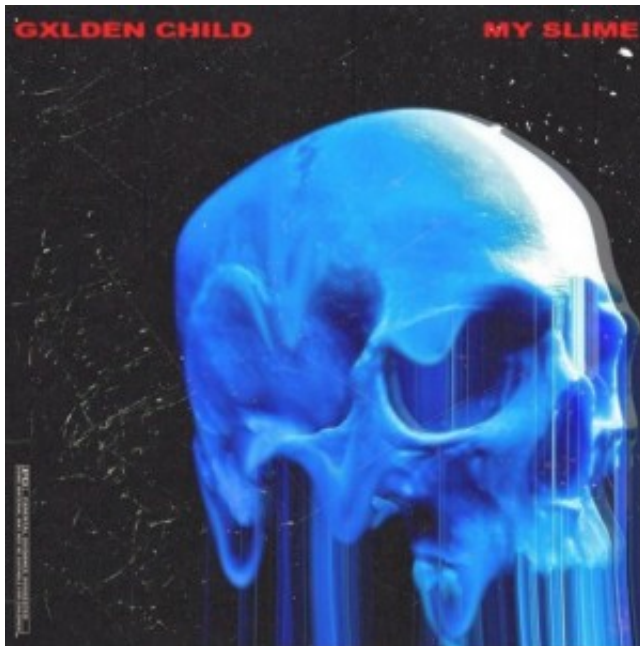

Montreal, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - It's been a while Gxlden Child the contemporary artist released his new projects which made his fans restless. The amount of popularity he received for the singles of his first album '**HELLADI\$E**' is something worthy to talk about. Artist **Gxlden Child** is extremely versatile and is versed with different genres like Rhythm and Blues, dark trap and others as well. His music pieces deal with different emotions o matter dark or motivating. Gxlden Child draws his inspiration from Travis Scott, the famous hip hop rap genius. However, Gxlden has his own style and pattern that is very alluring and has the ability to entice listeners. For all who have not yet tuned to the tracks of this artist, headover to SoundCloud and tune to his new single '[My Slime](#)'.

Currently, **Gxlden Child** is based in Montreal, Canada and has already become famous in the location. His goal is to make **BLCKchain Entertainment** globally famous and for which he is literally making some excellent music. When it comes to his versatility, [Gxlden Child](#) is a one-man army and produces, engineers and performs in his tracks. The tracks like 'The One', 'La Vida Trill', 'Highway' and all the other singles in his playlist album 'HELLADI\$E' portray his unparallel skills. Overwhelmed with the popularity of this playlist he has dropped 'Thotful' featuring Dev and '**My Slime**' which clearly proves his producing skills.

'**My Slime**' is indeed one of **Gxlden Child's** best projects till date. In this track he proved his production genius and music making skills. The single is blended with beautiful music score and flawless rap singing that sets the tone. This single is the first music piece from his upcoming album 'Lost in Helladise' that is soon going to be released on SoundCloud. Follow him on [Instagram](#), [Facebook](#), and [Twitter](#) and keep grooving to his tracks.
