Gold Coast, Oct 13, 2018 ([Issuewire.com](http://www.Issuewire.com)) - Lovers of coffee now have a new way to indulge in their favorite coffee fix.

Ripple Massage, Australia's leading mobile massage company, has launched of Australia's first **Coffee Massage**, complete with a mocha body scrub, massage with warmed coffee infused oils and a coffee facial.

Nestled high up on Tamborine Mountain, in among the rainforest canopy, Ripple Massage

(<https://www.ripplemassage.com.au/massage/coffee-massage/>) has become known for creating unique massage styles and exclusive, hand-made massage products.

“Coffee is wonderful for the skin,” said Ali Saoirse, owner of Ripple Massage.

“We use it in a facial to reduce redness and puffiness of the skin. The ground coffee beans act as a fantastic exfoliation to polish the body, and university trials have shown that when used as part of a message, it can reduce the appearance of dimpling of the skin.”

“Our warmed coffee massage oil has the scent of freshly ground, high-quality coffee, we get the very best products to use during our Ripple Coffee Massage Package.”

Ripple uses a uniquely developed formula to infuse the oil with the coffee aroma and properties. Ripple has also developed special recipes for a coffee scrub and nourishing coffee face mask.

Ripple’s therapists’ massage with the warmed coffee oil and hot towel off as they go, so guests are left with silky skin, infused with the coffee aroma.

Also included in the Ripple Coffee Massage package is full body coffee mocha scrub and a coffee hydrating face mask that tightens the skin.

As part of Ripple’s Coffee Massage Package, guests also receive a gift box of Ripple’s day spa products

Ripple’s Coffee Massage is \$295 for three hours of bliss.
