Melbourne, Oct 30, 2018 (Issuewire.com) - [Super Cheap Interstate Removals](#) recently announced one of the most affordable interstate relocation packages with the promising of high quality moving services.

This is in line with their aim of providing the cheapest relocation option ever in Australia, as their name stands.

Through the introduction of such cheap relocation packages, Super Cheap [Interstate Removals](#) are planning to increase their customer base and bring in those customers who are standing on the fence on deciding to hire a relocation company or not.

As their services are at par with every other professional and experienced relocation company in Australia and sometimes, even better than most, their announcement of the pocket-friendly packages is expected to increase their demand and get more customers on board.

A lot of their previous customers had only good things to say about their services and in fact, their customer retention rate is higher than most other relocation companies in Australia proving that their customers were highly satisfied with their services and prefers to choose them for their next relocation requirements.

Super Cheap Interstate Removals have also increased their presence with more offices set up in the major cities of Australia. They offer relocation packages to anywhere in Australia which is cheaper than most of the professional relocation companies.

Their relocation packages come with the packaging options and are also inclusive of the storage facilities wherein the customers can keep their things for as long as they want in return for a small rental charge for the storage space.

As far as the packaging are concerned, they have specially trained packers who can pack a normal sized house in a day with secure packing and deliver it all without any damage.

The best part about their affordable relocation packages is that they can be customized. There is no constant relocation package and it can be fitted in according to the customer's requirements.

They offer a [free price estimating option](#) through which the team from the Super Cheap Interstate Removals will give an approximate cost of the relocation by taking in all the customer's relocation details and it is totally up to the customer to decide whether to go for it or not.

Super Cheap Interstate Removals is the best in the market and is highly reliable to transport any goods across the border with complete safety measures. They also provide furniture removals options wherein the customer can hire them specifically for dismantling, packing and transporting the furniture to the new location and get it installed and placed in the new location.

In conclusion, Super Cheap Interstate Removals is expected to bag more customers with their affordable relocation packages and thorough and secure relocation services.

About: Super Cheap Interstate Removals has been in the Australian relocation industry for over 10 years now. They have a variety of relocation packages catering to the needs of office relocation, house relocation and commercial relocation, or any specific relocation requirements like packing, furniture moving, storage options, etc. They also have a [fleet of trucks](#) of different sizes at their disposal in all the major locations of the country and some of the most active locations of Super Cheap removalists are [Sydney](#), [Melbourne](#), Albury, Newcastle, Townsville, Adelaide, Brisbane, Canberra, etc.
