

The Arrival of Miraj Digital Miracle in the Digital Space

A Miraj Group Company

Mumbai, Oct 2, 2018 (Issuewire.com) - With the advent of digital media taking shape in leaps and bounds, every media entertainment company intends to enter the digital landscape. Media Entertainment Companies have already started creating content predominantly only for the digital audience. Joining the bandwagon is Miraj Group with its digital venture company Miraj Digital Miracle Pvt Ltd, headed by the group chairman Mr. Madan Paliwal, at the helm of all the action is Ms Sonal Deshpande who has been a part of Miraj Group for several years, she has her expertise in producing films for Miraj Entertainment like Maadari starring Irfan Khan directed by Nishikant Kamat, another film named Sona Spa starring Nasseeruddin Shah directed by Makarand Deshpande and a few more, the marketing head of the team is Ms Shiwali Marwah Herlekar.

The company has joined hands with Movietone Digital Entertainment Pvt Ltd as the Chief Marketing and Syndicating agency headed by Ms. Kavita Shetty.

The First Digital content to be released under the new entity is a rib-tickling comedy web series named "Andha Dhoond Kanoon" starring Chidiya Ghar Tv Series Star Sumit Arora., the heartthrob of young girls Keshav Sadhna and the very beautiful talented Shivani Tomar. The Web series is created by the

team of Two Nice Men Media Works, headed by Harjeet Singh Chhabra, Nisheeth Neerav Neelkanth & Dolphy Fernandes, Directed by Nisheeth Neerav Neelkanth, Story by Gaurav Bhalla, Screenplay & Dialogues by Shashank Kunwar.

The first promo of the Web series is released on Youtube.
