

## The Shop Local Network is excited to have Aide Rentals and Sales as a Shop Local Mission Partner

**La Porte, Oct 31, 2018 ([Issuewire.com](http://Issuewire.com))** - Aide Rentals and Sales with locations at 8600 Kennedy Avenue in Highland, IN and 186 W. Sauk Trail in Chicago Heights, IL have so much to offer. Nick Bello, president of [The Shop Local Network](http://TheShopLocalNetwork.com) stated, "Aide Rentals and Sales has so much on hand, they can handle pretty much any project. When you walk through their facility it is pretty amazing. From dunk tanks and tables to cement mixers and lighting, If you have a project, they have what you need to make it happen."

Aide Rentals & Sales is a family business which was started back in 1965 to provide tools, equipment and party items to homeowners, construction and industrial customers. They are deeply committed to building relationships with and solving equipment rental/sales problems for their clients. Equipment rental is a major strategy for many companies and individuals. It is a way for a small company to bid much larger jobs than their resources would normally allow, and it allows for large businesses to conserve cash while still being able to use the latest equipment and technology. Their three principal owners have over 50 years combined experience in the rental and sales industries.

You may rest assured that they will provide you with the proper tool and complete instruction to help make your job a success. If they don't have it, they'll be happy to re-rent it, or they'll locate another company to serve you. They strive to meet the equipment rental needs of their customers throughout Chicagoland and Northwest Indiana, including Highland Indiana, South Chicago Heights Illinois, Schererville, Lansing IL.

If you're planning a graduation party, wedding, reunion or other special events, you can find all your needs at Aide. Get ready for a great time with their tables and chairs, tents, portable restrooms, moonwalks, dunk tanks, coolers, stages, and more. If you're in the construction industry, an avid do-it-yourselfer, or in need of some 'around-the-house' tools, they have what you need there too. Their rental equipment includes earth movers, grinders, trenchers, generators, compressors, carpet steamers, plumbing, lawn and garden and so much more.
