

## This Diwali refresh your home with The Decor Kart's Latest Collection

**New Delhi, Oct 11, 2018 ([Issuewire.com](http://www.Issuewire.com))** - We are pleased to announce the release of an eclectic collection of items with which our patrons can dress their spaces. Creative Director and Co-founder Natasha Kalra quoted, "The idea behind our collections is not to prescribe a particular look for your home, but to provide decorative elements that allow for living spaces to be customized according to your taste and personality".

**Decorative Jars**, Ginger Jars, Animal Sculptures and Figurines, Lamps, Candle ware, a collection of Home Fragrances that includes aroma candles and Diffusers and a lot more. Our decorative jars collection includes porcelain jars in colorful, lively hues and also in the more sophisticated designs. Our candle ware collection includes a range of gold inspired metal candle holders in mesmerizing shapes - perfect to add a luxe element to your decor space this festive season. Our home fragrance collection features a vast range of **aromatic candles** and diffusers that will exhume a fragrance that will gently infuse your living spaces with captivating natural aromas to indulge your body, mind & soul.

In the Kitchen and Dining area, we have launched a new collection of Beverage Dispensers, Cereal Mugs, Casseroles and Vintage German Steins. The **casseroles** feature floral porcelain bowls with lids and are sure to add a regal charm to your table space - one that will make heads turn at your next get together. The Vintage German Steins are ornamental beer mugs that are decorated in a nostalgic manner, depicting intricately carved illustrations on the surface - you have to see to believe the beauty of these mugs.

Our effervescent range of **Garden stools** sees new additions in the form of enchanting floral barrel-shaped garden stools that will complement any decor style from traditional to contemporary. Apart from being utilized as an alluring stool, the Garden Stool can also be used as a garden perch or a side table.
