Volo™ Launches New Streaming Site To Help Make Personal Growth More Affordable And More Accessible

Los Angeles, Oct 1, 2018 (Issuewire.com) - Volo Group, Inc. has launched a new streaming platform for personal growth video courses and audio training. The site currently offers a small library of curated licensed and original video courses and audio training, with up to 50 more titles being added by January 2019.

More information can be found at https://volo.tv.

Anyone interested in effectively transforming their life through personal growth can head over to the new Volo site, start their free trial and explore the different courses and training. Courses range in length and can be viewed on desktops, laptops, tablets, and mobile devices.

“Volo’s mission is to make personal growth more affordable, more accessible and more effective than ever before. By hand-selecting, curating and producing all of the content, we can ensure that you are getting high-quality courses without having to sift through thousands of ineffective ones,” said Volo co-founder and CEO, Sean Brandon Spector. “With our affordable monthly subscription model, you can continue your personal growth journey, every single month, without breaking the bank or having to take time off of work or away from your family to attend an overpriced seminar. Being able to stream everything online allows you to learn and engage from any device, all over the world.”

The courses and trainings featured on the Volo site cover a range of topics including meditation, leadership, happiness, health, success, body language, visualization, NLP, time management, procrastination and relationships.

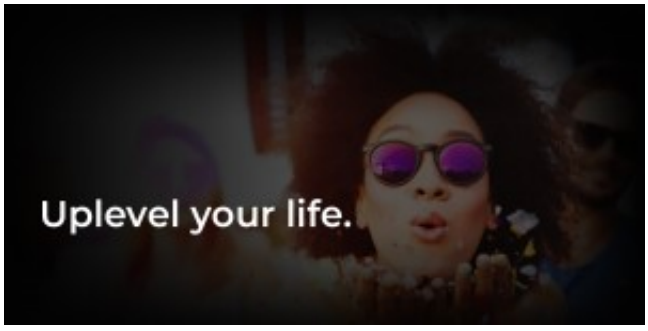

Volo also offers an income opportunity to individuals who want to help support users through the courses. VOLOpreneurs earn commissions and bonuses for growing a Soul Tribe and supporting their personally enrolled customers. Volo currently has over 700 VOLOpreneurs around the world.

Co-founders, Sean and Samantha Spector, believe that personal growth is the key to living a happy, fulfilled and successful life. By creating Volo, they are on a worldwide mission to help as many people as possible uplevel their lives and finally see the results they have been searching for.

Instructors interested in submitting their course(s) for review, can get in touch using the contact form provided on the site.

Full details of the courses and content available, can be found by visiting the URL above.

Volo Group, Inc. is a leading global personal growth company headquartered in Los Angeles, California. Founded in 2017 by husband and wife duo, Sean and Samantha Spector, the company’s primary business is a subscription-based streaming service, which offers online streaming of a library of transformational video courses and audio trainings including those produced in-house.
