New York, Nov 22, 2018 (IssueWire.com) - Advanced Consulting, Inc. through its Legal 1870 part of the Coastal Tech Hub Initiative, is offering free legal services to people connected to the Coastal Tech Hub via community initiatives or new business developments.

More than 12,000 lawyers are ready to assist people by phone or in person with contested or uncontested legal matters. Advanced Consulting, Inc. will be covering these cost.

The Coastal Tech Hub is an innovative business structure created to give the minority market more opportunities in the technology and small business development industry. The company is expanding the Hub to include legal services for various-related cases such as Civil Defense Claims to Family Law to Consumer Protection Matters to Government Benefits to Landlord/Tenant Issues & so much more.

If you have issues with your Medicaid or Medicare, the lawyers in the Coastal Tech Hub (Legal 1870) can assist you. Driver License Suspension and Revocation, Driver License Restoration or Traffic Tickets any one of our attorneys can help you with these legal matters including appearing in court on your behalf.

We also have attorneys that can assist individuals with four kinds of criminal-related cases such as Criminal Misdemeanor, juvenile court proceedings, parental responsibilities, and habeas corpus proceedings.

Some of the other services Legal 1870 will offer include, a legal hotline, do-it-yourself documents, immigration assistance, identity theft services, and an education center, caregiving services for the elderly, Financial Counselling Services & tax services

spokesperson Omar Sutton said, "As we establish the Coastal Tech Hub (Legal 1870) this will be an immediate benefit in allowing those who never had access to such services use the resources provided to better their life.

Free legal services for those involved with the Coastal Tech Hub begins Dec. 1. Call (646) 535 9839 to learn more about the free legal service and what other types of cases the network attorneys can help you with.
