MOBILE APPS

Las Vegas, Nov 28, 2018 (Issuewire.com) - Platinum Edge Media, a company that creates progressive mobile applications and is the founder of the 2nd annual National Day Calendar, **National App Day which falls on December 11** each year.

"We like to thank all app developers, designers, and crew worldwide who have made life so much richer, abundantly more entertaining, and wonderfully easier to navigate. We celebrate the ideas, beliefs, and commitment of those that have that one creative spark that significantly powers so many other brilliant ideas for the betterment of our communities, society and humankind" said Platinum Edge Media's CEO CJ Thompson.

Platinum Edge Media has formed a new tradition by announcing each year for National App Day, a new mobile application. "As the Holidays near, it seems appropriate to announce our **Santa Photo App**, geared towards sharing family memories with Holiday photos and videos through their family's own personalized app." said CJ Thompson.

The Santa Photo App can be shared with family and friends with a couple of clicks. It is also loaded with fun features for kids, such as Santa's favorite jokes, stories, reindeer games, Mrs. Claus cookie recipes, along with a video of Santa reading the classic "Twas the night before Christmas". Though, the big hit

with children is the ability to call, text and track Santa as he makes his way around the world delivering presents. For more info go to <https://www.platinumedgemedi.us/santa-photo-app>
