However, the Ivacy VPN subscribers can avail the best black Friday VPN deals without having to deal with any problems.

Want to know how? Let us enlighten you. Instead of going crazy for the deals at the shopping malls, stay home and enjoy the crazy deals offered by Ivacy VPN.

What differentiates a best VPN deal from the rest is the VPN black Friday 2018 sale at 87% off on a 5-year plan at \$1.34/month.

Apart from this, Ivacy VPN also offers some unbeatable deals and massive discounts, like:

- 77% off on a 2-year plan at \$2.25/month
- 66% off on a 1-year plan at \$3.33/month
- 50% off on a 3-month plan \$4.99/month

Since 1952, Black Friday is the day after Thanksgiving in the USA. It is regarded as the start of Christmas shopping season and almost all giant retail stores start offering early promotional offers during this time.

It is the ultimate shopping exhibition where dealers overflow their stores with excellent deals nobody would want to miss. This is the busiest time of the year when maximum cybercrimes happen as hackers try to exploit the crazy online shopping dash for identity theft, phishing scams and more.

Hence, the most genuine security measure is using a VPN service from a website like Ivacy. It encrypts all the data you share on the internet and privately maintains your browsing history.

VPN service isn't a luxury anymore, it is rather an important part of your everyday life now, Ivacy VPN secures clients from identity thieves, 3rd party intruders and hackers while unlocking websites and encrypting connection on public Wi-Fi. It ensures you have full online freedom while giving you anonymity over the internet.

If you want to enjoy some incredible VPN black Friday deals, then check out their amazing plans and features. It provides 450+ servers in 100+ locations, unlimited server switching, smart purpose selection, optimised P2P servers, multi logins, unlimited data transfer, swift VPN service, split tunnelling and proactive customer assistance.
