

Fans Crazy on Lord Conrad and Rodrigo Alves meeting, The Two Superstars Created an Incredible Crowds

New York, Nov 1, 2018 (Issuewire.com) - Lord Conrad Sees Rodrigo for A Celebrity Meet Up The meeting of the two superstars has produced a lot of news all over the world.

We are facing one of the most important meetings in history. On one hand the famous DJ, music composer, songwriter, model, dancer-actor Lord Conrad, who recently has made a music video clip on youtube with more than 1 million and a half views: Lord Conrad Touch The Sky

On the other, the famous television personality and celebrity Rodrigo Alves, who is famous for his courage in changing his look. He's loved and respected by the world's public for his philosophy of life that anyone is able to be what he wants.

The two celebrities met in front of the Gucci store in Milan and then took a quick dinner at the Armani Cafe'. During the encounter, hundreds of paparazzi followed them.

The two barely be able to walk on the street due to the number of photographers and fans who were looking for autographs and photographs.

The two superstars created an incredible crowd, at the end they were forced to escape escorted by the police because the fans were too many, some even tried to kiss and touch the two too insistently. Rodrigo appeared on all world TV shows for changing his look through plastic surgery made him a world celebrity.

His positive messages touch the world. Once an ugly bullied boy but with great courage, through great suffering, he underwent numerous aesthetic interventions to become the timeless prince we see today. His message is positive because it concerns life in general, pushing yourself to the limits to realize your dream in everything.

Lord Conrad is a hot new musician out of Italy whose artistic philosophy reflects his own sweet, altruistic and sensitive character.

He believes people should focus on spreading positive messages and be themselves by following whatever their passion is. "I love helping and listening to others," he said. "I think that every single person has the potential to achieve great things. No matter what your social, sexual or religious affiliation is or any other status were all gonna make it. Just be yourself and follow your passion and push it to the limit." Lord Conrad's new single, "Touch The Sky," is a tribute to that artistic philosophy. He said the song comes from his honesty and the admiration he has for people with high character and who put in hard work. He said the single is a never-done-before isonorous experiment, a mix between trance, dance and EDM electronic music that features heavy beats with melodic stabs of an electronic piano while showcasing his composing skills.
