North Carolina made Sauces

Raleigh, Nov 13, 2018 ([Issuewire.com](http://www.Issuewire.com)) - **Insain Hot Sauce** comes with a fantastic offering for those who love hot and spicy foods. There are many products provided by the company that the customers can pick.

Insain Hot Sauce has come with a wide range selection of hot sauce products that the customers can choose. The sauce products offered are considered to be the hottest ones that are available in the market now. The hot sauces provided will give the customers a different experience of eating spicy meals.

Insane Hot Sauce is based in North Carolina and has produced hot sauce products for almost a decade. With years of experience, the company has found the best methods and recipes to create the hottest sauces that people ever taste. The company only uses the highest quality of chilies and peppers to ensure that the customers will get the best products to consume. The **hot sauce price** offered is also affordable to enable the customers to get the best products with relatively low costs.

With only 3 different kinds of hot sauce, the company now has 16 variants that the customers can pick that range from mild to extremely hot. The customers can even create their own [3 pack](#) that may consist of one of the following products: **Mango Habanero, Gourmet Chipotle, Carribean Rum, Ghost Pepper, Coconut Ghost Pepper, Banana Rum, and Creeping Death**. In addition, there are many other products provided by the company include hot candies and lollipops as well as spicy nuts.

"True story— I put one or two drops in a large kettle of chili and we love the hot stuff—but it was rendered virtually inedible! I added more meat, more beans, more tomatoes, added some diced

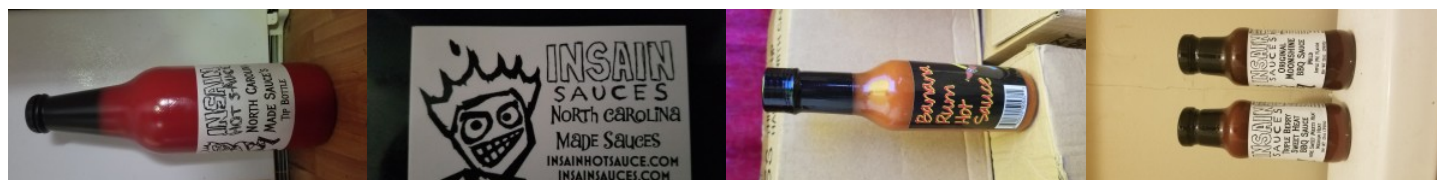

potatoes, a can of corn!!! It was unbelievable!!! Nothing took that heat away man! I am very very careful with this HOT SAUCE now," says Sally, one of the customers from Philadelphia.
