UK Music Executive Trevor Berger head of A&R Department for Liner Entertainment Group LLC

Houston, Nov 14, 2018 ([IssueWire.com](http://www.IssueWire.com)) - Liner Entertainment Group LLC, a Talent Management and Booking agency in Houston Texas has named UK Music executive **TREVOR BERGER** of **TB ENTERPRISES** as Head of their A&R Department.

Trevor has been in the music industry for 20 years. Trevor started out with a small label in London Melodisc Records where he was working with Bob Marley and Prince Buster before they got famous. He then joined Pama Records when it first started in a small office in north London which later became the biggest reggae label in the U.K called Jetstar Records. He has also worked in A&R/Promotions for labels such as Interscope//Universal.

After then He went to a pop label called Young Blood Records where He helped to find artists etc. They had many good artists including Don Fardon and Mac and Kattie Kissoon who both had number one Records in the U.K. and America.

He started TB Enterprises to help artists and groups. Trevor had been searching for the right company to work with until He was approached three months ago by Liner Entertainment Group who new his history and asked Trevor to head their A&R Department.

Trevor will be responsible for seeking out new artists in the genres of Pop, Rock, Country and R&B for the agency.
