New York, Nov 3, 2018 (Issuewire.com) - Wadley Saint Juste is an American DJ, Artist manager, booking agent, Promoter and music business consultant. He manages up and coming artists in the United States, also a business entrepreneur and has the ability to publish music. He has made many artists successful in the music industry while working as an executive for WMR Media, the leading PR company of this century.

Wadley started as a Disc Jockey from College in Texas, He then opted into artistry management, he had managed lots of great US artists, like CUR, YungC, Jetti, JO Hard worker, AfterThisFriday, Yungn, Ill Proda and others.

The married man is selfless and his priority is to help artists succeed in their music business.

He has done many projects with well known artist and has recently signed with Sony Music as an A&R.
