

Power Couple Alvin Chea of Famed A Capella Group Take 6 and Wife Adria Express Thankfulness

The Blend's Upcoming Episode 'In Everything Give Thanks' Wednesday, November 21

Los Angeles, Nov 19, 2018 ([Issuewire.com](http://www.Issuewire.com)) - "In Everything Give Thanks" is the appropriate mantra for this week's episode of *The Blend*, featuring power couple Alvin Chea of famed a capella group *Take 6* and his wife Adria airing Wednesday, November 21 at 7 pm EST/4 p.m. PST at www.facebook.com/theblendtalkshow.

Hosted by an upbeat panel of African-American female experts dedicated to optimizing overall health and wellness, the gratitude-themed episode will focus on being thankful for family—hurdles, triumphs, life, love, and faith where the Chea's are transparent and inspiring as they discuss their blended family, leadership in ministry, and balancing life, work, health, love, and prayer.

Alvin, an original member of *Take 6*, the most awarded a cappella group in history, and Adria, a former corporate executive turned "all hands on deck" for her family and home, have been married for eleven years. Their anniversary fell on the day of the *Blend*'s episode shoot.

Grateful for each other and their beautiful life, Adria states explicitly, "I'm grateful that God gave me a man who truly loves God and puts his family and me first. I fell in love with Alvin's humility and how he loves and respects me."

The Chea's pray together about everything and give great advice to single women and men. On being single, Adria says, "it's not a bad thing." "You have to be willing to compromise and look within yourself

to see what you need to change to mirror someone else's personality because you're marrying character."

When Alvin met Adria one quality of many he liked was that she supported his efforts. "When I met my wife I saw that she would have my back and that was important to me."

On reimagining himself, Alvin has lost 50 pounds to date. However, when he met Adria, whom he affectionately calls his "secret sauce," something amazing happened. "For years I was a songwriter, and when I went through that hard period in my life, I stopped hearing music, he explains. I literally couldn't compose anything else but, when I met Adria, the melody started coming back."

The Blend airs every Wednesday at www.facebook.com/theblendtalkshow at 7 p.m. EST/4 p.m. PST.
