

SA Capital Partners and C.E. Hutton, LLC announce Strategic Partnership

SA Capital Partners is an innovative financial services firm that specializes in mergers & acquisitions advisory and capital raising for lower middle market businesses.

Chicago, Nov 12, 2018 (Issuewire.com) - SA Capital Partners and C.E. Hutton are pleased to announce they have entered into a strategic partnership, combining SA Capital's industry-leading financial services with C.E. Hutton's world-class strategy-business development and next-gen technology services.

With technology playing an increasingly critical role in every aspect of the business, companies recognize that they need to accelerate the development of digital solutions to ensure they remain on the competitive vanguard. The SA Capital Partners-C.E. Hutton partnership brings together deep skills in business and technology strategy, product ideation, technology development and deployment, and organizational change management to help support clients through successful M&A advisory and capital raising transactions.

"The SA Capital Partners-C.E. Hutton partnership is a powerful combination. C.E. Hutton's understanding of complex digital product interactions, its deep engineering expertise, and Agile, collaborative approach is uniquely complementary to how the SA Capital Partners team works. We believe this helps to generate industry-leading technology products and platforms," said Maz Pawar, CEO, SA Capital Partners. "Our strategic partnership with C.E. Hutton is a strong endorsement of the firm's long-term commitment to the lower middle market; this partnership will allow us to drive far more

business impact for our clients.”

"We at C.E. Hutton are extremely pleased and excited about the partnership and synergy being announced today with S.A. Capital Partners. In our efforts to raise capital for our firm as well as assisting minority entrepreneurs to build/expand their business dreams in the Cannabis and Hemp industry, S.A. Capital's expertise in financial services and capital raise innovation is what we need and what we strategically aim to do for others requesting our services," said Charles Hutton, CEO, C.E. Hutton.

By virtually connecting SA Capital Partners team with C.E. Hutton's deep next-gen technology and engineering expertise, the collaboration represents a step-change in the way both businesses address the needs of the lower middle market.
