

Aspiring Artist B. Lansky is Creating Buzz with his New Music Video 'It's My Time' on Youtube

New and competent musician B. Lansky has come up with a sensational music video 'It's My Time'. His video is already getting viral and streaming on YouTube

Miami, Dec 14, 2018 ([Issuewire.com](http://www.Issuewire.com)) - Newbie rapper [B. Lansky](#) makes a grand debut in the music industry through his dynamic new music video '[It's My Time](#)' which is produced by the production house named BLF Entertainment and published by the artist on 8th December of this year. This Florida-based artist truly takes the hip hop music genre to a whole new level. He has been making music for quite some time. This artist's approach towards his music and creativity is garnering lot of attention from the music lovers worldwide.

This skilful artist **B. Lansky's** music video '**It's My Time**' keeps the summer vibes alive through the easy-going vibes and funky beats and hooks. The seductive ambience provides a certain sense of bliss and joy evolves into a classic and mellow hip hop release later on. It is a very well-structured video with various sections which work effectively, keeping the audiences involved throughout the whole thing. The detailed story-line and the underlying sentiment unfold in unison in the video.

The hook section in the music video is undeniable the main thing which is grabbing most of the attention and praise from music fans worldwide. Combining the spacious yet bold soundscape in a confident way, the rhythms and the vocal performance really hit hard with a lot of impact. The stopping and starting nature of the beats really draw you in by the colour and vibrancy of this release. The synths and riffs weave in and out of the sound which comes off as very innovative as well as pushes all kinds of boundaries. The overall performance of **B. Lansky** is very clearly and stylishly presented.

The hypnotic lines in the songwriting evolve to become something a little more energetic and inspiring as well as seamlessly inspiring. Your focus will immediately fall on the leading voice and it changes as the video progresses. The feel-good vibes in '**It's My Time**' will get you into a party mood and make you lose control on the dance floor. The unavoidable truths are presented very subtly enough for the fans to think about it. The combined effect of the whole video is incredibly addictive, hardcore and creative which are enough to deliver an unforgettable music experience
