

AWT Logistics, LLC Announces New Oilfield Workforce Housing Development.

New Oilfield Workforce Housing Development, “Iron Horse Lodge”, announces opening of 220 new rooms in the Permian Basin.

Midland, Dec 18, 2018 (Issuewire.com) - AWT Logistics, LLC, a new player in Work Force Housing arena, today announced that it will open its first oilfield housing project, Iron Horse Lodge, in January 2019 offering 220 rooms for immediate occupancy.

Centrally located between Midland, Odessa, Goldsmith, and Andrews, Iron Horse Lodge is situated on 20 prime, quiet acres, just 12 minutes north of Midland Odessa Airport. The Iron Horse Lodge location will have 220 rooms available in January increasing to 450 rooms by the end of Q2 2019.

Founded by Oil Industry Executives and a Major Houston-Based Engineering and Construction Group, AWT Logistics enters the market with a clear understanding of the need to house oil and gas workers as part of a regional employee retention strategy. The vision behind Iron Horse Lodge is to offer low-density housing with a maximum of 14 buildings per 2-acre lot, and each building comprising just 6 -bedrooms. AWT Logistics, CEO and Developer, Scott Rettberg said, “We are a well-capitalized & experienced company and will continue to purchase property to develop. Our vision is to design & create un-crowded accommodations that will provide quality rest, and relaxation for workers during their off-time, resulting in workers that will be more productive and safety conscious” during their ON hours.

Iron Horse Lodge general manager, Steve Glynn added, “Our vision was to put the guest first and treat

them like a valued resident, and the long-term leasing of everything we have to offer will simply take care of itself.” Amenities at Iron Horse will include a wide variety of rotating breakfast and dinner items, a market- cafe for late night food and drink items, a full-service gym, flat screen TVs in every room, High-speed WIFI, and DirecTV. A dedicated team of customer service professionals is on duty around the clock to attend to the needs of any guests.
