Jacksonville, Dec 15, 2018 ([Issuewire.com](http://www.Issuewire.com)) - CPO® Certification provides you with the basic knowledge, techniques, and skills of pool and spa operations that a professional needs in both commercial and residential environments. This training has helped protect millions of swimmers by reducing hazards at aquatic facilities all over the world.

COURSE OPTIONS: The NSPF® Certified Pool/Spa Operator® (CPO®) Certification program is the world's leading verifiable pool and spa training credential, and is available in either of the following formats:

2-Day In-Person Classroom Training with a Certified Trainer

Or a BLEND of 1-day On-line (Pool Operator Primer) and 1-day Classroom (Pool Operator Fusion)

BASIC Classes – You will need to bring your own “brown bag” lunch, snacks and beverages. (No time to go out for lunch.)

PACKAGE Classes – We provide lunch, snacks & beverages for all LIVE classes.

CPO® Certification Benefits Include:

Widely accepted by local and state authorities

Covers topics necessary for pool operators including a section for local and state codes

Taught by NSPF® Certified Instructors

Recognized nationally and internationally

Explains the operator's role in pool care, management and risk reduction

Comprehensive, annually updated materials

Access to monthly updates & news from NSPF®

Eligible for Continuing Education Units (CEUs)

The National Swimming Pool Foundation is non-profit organization whose mission is to increase aquatic activity through education and research. NSPF aims to make a difference by making pools safer, keeping pools open, and attracting more people to use pools, spas and aquatic facilities. They offer the world's leading NSPF® and Genesis educational products and programs that are technically sound, convenient, and beautifully designed. As a 501(c)(3), proceeds from their educational products fund research and help create swimmers through the Step into Swim campaign with a goal to create 1 million more swimmers within 10 years.
