

Groove to Dyago ft Banana Clip's New Music Video 'Don't Go There' on YouTube

Dyago ft Banana Clip has come with an entertaining and exquisite music video 'Don't Go There'. This music video is already trending and streaming on YouTube.

Toronto, Dec 10, 2018 (Issuewire.com) - Aspiring YouTube artist **Dyago ft Banana Clip** has come up with a mesmerizing music video '**Don't Go There**' which is making the hip-hop and rap lovers swoon worldwide. This video is published by Dyago DGC FILMS as well as filmed and edited by dubillup and DGC films. This extremely stylish and well-constructed music video is making the music lovers flock to YouTube. This artist who is from Toronto, United States has been creating music for a

while. If you are looking for something to vibe to or get hyped, this video will not disappoint you.

This skilled YouTube artist **Dyago ft Banana Clip** is unapologetically real on his current work '[Don't Go There](#)' and he does so in an amazingly melodic and memorable way. Right from the beginning, the honesty and the genuineness of the music video have the capability of connecting with the audiences of all ages. The satisfying overall performance of the artists in the music video and the emotional soundscape will pull you in right from the offset. There is a certain delicacy and vulnerability to the sound which comes in contrast with the tripped up and funky nature of the beat and the overall soundscape.

The contrast is utilized effectively and the musical masterpiece which has been elevated into a form of art. The rap verses come off as a spoken word style with a well-detailed story-line which holds the attention of the listeners throughout. The moment of a breakaway from the subtle ear-worm and the hook section are what make this music video worth watching. In addition, the opening moments of the video showcases simple yet energizing rhythms and riffs that runs peacefully throughout the entire music video.

Each element of the set-up of '**Don't Go There**' is instantly refreshing and the concept is one which highlights the creativity and artistry of the artist. The beats and lyricism make this video more intriguing and it becomes a pleasure for the audience to watch it and listen to it. The songwriting really provokes thought and understanding. You are likely to walk away singing the epic hook section in your head. The personal tone and the practicality make this video easily relatable to the hardcore hip-hop and rap fans. Fans can connect with him on [Twitter](#) and [Instagram](#).
