

iB Cricket - The new VR Cricket grabs attention of Fleming, Narine, Morkel and many more.

The world's most immersive virtual reality cricket soon to be launched to public

Mumbai, Dec 19, 2018 (Issuewire.com) - The virtual reality cricket that has bowled over cricketing legends like Chennai Super Kings Coach **Stephen Fleming**, South African Pacer **Morne Morkel**, England power hitter **Jason Roy**, Afghan mystery spinner **Mujeeb**, Caribbean star cricketer **Sunil Narine** and many others would be available to the public very soon.

iB Cricket is the world's most immersive VR Cricket. It transforms your surroundings into a virtual world, where you can play cricket in world-class stadiums. This vSport provides a complete cricketing experience with highly accurate physics matching the real-time sport. Every detail like, customised commentary, cheering crowd, pitch, bowlers, scoreboards, etc. are designed meticulously, giving a very realistic experience of playing cricket in magnificent stadiums.

So far, tens of thousands of people from 30+ countries including non-cricket playing nations have played and were amazed by iB Cricket. Notably, iB Cricket was launched in the presence of the **Hon'ble President of India, Shri Ram Nath Kovind**. This vSport was developed by ProYuga, an XR technology-focused startup backed by iB Hubs. The team behind iB Cricket is a group of 50 young graduates from premier institutions like IITs, IIMs, IITs and BITS.

iB Cricket is highly adaptive and can be played by everyone irrespective of age, gender or cricketing experience. Modelled at several levels, with a personalized AI coach, and many global tournaments, this vSport enables everyone to build their cricketing career just like their favourite cricket star.

"We are very happy to see how everyone is adapting to the vSport in no time after stepping into iB Cricket stadiums. The response to the vSport has been tremendous from everywhere. With no bars on age, gender & cricketing experience, and with exciting tournaments, iB Cricket will be embraced by everyone across the globe," says Trivikram, Co-founder, ProYuga.

This new format of cricket is progressing rapidly and is a principal sponsor for 'Bengal Tigers' - one of the most energetic teams of the UAE T10 League 2018. iB Cricket is strengthening its presence in India by soon opening its arcades across the country. With its foothold in India, Singapore, UK, Australia and Dubai, iB Cricket is gearing up for the global release in the next few of months from Dubai.
