

## Orenda Marketing and Management is Expanding to Spokane Wa

ORENDA  
MARKETING AND MANAGEMENT

**Spokane, Dec 6, 2018 ([Issuewire.com](http://Issuewire.com))** - Orenda Marketing and Management is a marketing and advertising firm that works with Fortune 100 clients in the industries of home entertainment and consumer electronics. With large goals for 2019, they are excited about their new Spokane Wa. Recently promoted Robert York will be the point person in the newest territory expansion for Orenda.

Robert York was born in San Jose, California and just six months after his first day with the company is getting promoted to a branch manager. Robert graduated early from high school and was living on his own from the time he was 15. He played college basketball at Merced State where he studied radiology and also participated in travel and league basketball. After college, he worked full time in a plastic manufacturing warehouse for a year and a half and went job to job looking for a career. Knowing that he wanted to be in management or to start his own business and just six months later he is going to be a branch manager. After just two weeks Robert was promoted into an Account Manager role. He plans on continuing client relations while helping the company roll out new programs throughout the California markets. "Opening this new branch in Spokane Wa is a huge opportunity for Robert to take the reigns and to be able to continue to pass on his successes to his team." States Gladys, one of Robert's managers.

"Robert has really been an inspiration to the team with his work ethic and leadership mentality. He truly deserves the opportunity to take the reigns and continue to expand on what we have seen from him so far." With such large clients that are continually growing, Orenda Marketing and Management is pressed to continue to develop managers from within the company to keep up with the demand. They have developed a management training position available to qualified team members. The position is a cross training in each department into an upper-level executive management position. "What really made me realize that this was a long-term career opportunity was when Orenda Marketing and Management demonstrated their organic growth, excellent training program, and sincere passion to help others reach their full potential." Mentions Robert. "Opening this new branch in Spokane Wa is a

huge opportunity for Robert to take the reigns and to be able to continue to pass on his successes to his team.” States Gladys.

With aggressive expansion goals, Orenda Marketing and Management is looking to continue to expand and grow moving into 2019. Working with businesses of all different sizes from different sectors, Orenda Marketing and Management has seen a tremendous rise in their client and the strong collaborative environment has immensely benefited the clients of Orenda Marketing and Management and the success of their campaigns.
