

## The Brand Story announced India's Most Admirable Brands 2018 to Zava Electronics

**Noida, Dec 20, 2018** ([Issuewire.com](http://Issuewire.com)) - [ZAVA Electronics](http://ZAVA Electronics) is known for providing superb quality LED TV's at market leading rates. The wide range includes 24 Inch LED TV's, 32 Inch LED TV's, 32 Inch Smart LED TV's, HD Ready TV's, Smart TV, UHD LED TV's, ZAVA Air Conditioner, ZAVA Washing Machine and more. For pleasing our customers, we are delivering the entire range in different sizes, designs, models, resolution etc.

While commenting on receiving the award, Mr. Ashwin Bharti, Director of Zava Electronics said, "Life is not just about having latest electronics but to experience advanced technology that prepares you for enjoying the greatest moments of your life". We want to create a revolution in electronic products through our innovative thinking and unique ideas. Other key leaders of the company are Mr. Vandana Puri and Mr. Lalji Bharti, who has 30 years' experience in sales and marketing.

The organization's client-centric approach enables us to provide maximum satisfaction to all the valuable clients. All products are manufactured under the strict supervision of professionals following the

industrial standards. The aim of the company is to meet its customers' requirements by offering them these products in numerous sizes and styles as per the specifications of the patrons.

Further, the state-of-the-art infrastructure facilities installed with advanced machinery enables the organization to deliver quality products to patrons. Company's smart and intellectual personnel ensure that only flawless range of product line is provided to clients within the agreed time-frame. Moreover, the company owes the huge client base to its responsible personnel and smart business plans.

The Director of The Brand Story, Mr. Abhay Kaushik said, "India's Most Admirable Brands" is an Exclusive Story Board for your brand. The underlying credo of this initiative is to provide an ideal platform to the brands of corporate India and ensure the most exclusive, interesting and effective storyboard for their achievements over the years.

India's Most Admirable Brands are selected on the basis of Image, Impact, and Innovation in their respective industry category and the selected brands will be seen by millions across the country with special Television series on the national news channel to be launched soon along with print and digital campaign.
