

The Glasgow Upcoming EDM Artist HANZY Has Been Changing Lives with His Music

If you are a fan of remixes and party grooving tracks then HANZY is the artist for you. His music has been motivating people all around the world with its tunes.

Glasgow, Dec 31, 1969 (Issuewire.com) - The young DJ **HANZY** has been attracting a lot of audience and musicians alike with his musical genius of mixing genres, styles, and techniques together. He has been turning many heads in the music industry with his music intellectuality. Hailing from the United States he is significantly popular among the young generation. His music creations involve a lot of booming beats followed by the synchronisation of various styles which are altogether blended into a harmonious soundscape of music. **HANZY**'s latest track '[Hanzy Hour-Sunday Session#12](#)' is the perfect example of his capability as a musician. **HANZY** has been categorised as the [Glasgow upcoming EDM artist](#) who is talented enough to hold a competition against experienced DJs and artists. This 17-year-old is the best anyone has seen in EDM genre yet.

His composition '**Hanzy Hour-Sunday Session#12**' is beyond any limit of creativity. Being a one hour fifty-one seconds track, it is the best for those festive occasions which require dancing and an energetic party mood. One track is followed by the other and just as one ends you will be hit with another captivating surprise. Combining so many tracks into one festive track is only possible for someone like **HANZY**. He has not only created audios but each of his tracks has their unique videos uploaded in YouTube.

HANZY though having the music wanted fame like many renowned artists, still kept his humility intact. His social media profiles like Facebook, YouTube, Twitter, Instagram shows the appreciation his fans have for him. His music though being mostly party remixes has sentiments and holds anyone attention once they hear it. With the progression of his tracks the energy rises and intensifies throughout, the beats get more creative and the marching style soon emerges more intently. This renowned star can be called as the king of versatility.
