

Autumn Sale of Artificial Grass - 20% OFF at PermaLawn

Get the best UK artificial lawn deals online today, don't miss out!

Chesterfield, Jan 18, 2019 ([Issuewire.com](http://www.issuewire.com)) - PermaLawn is happy to announce our latest special offer on artificial grass in our online store. Shop today and get an **immediate 20% reduction** at the checkout using the promotional code **AUTUMN20**.

How to use your discount code

To get your fantastic discount, first select your perfect, new artificial lawn in our online shop. Visit <https://www.perma-lawn.co.uk/shop/grasses> now to begin your search. Choose from some of the best quality artificial grasses available today. Our extensive range of artificial grass yarns and weaves deliver great quality, low-maintenance alternative to natural lawn with a wide selection of different types to suit every use for all the family.

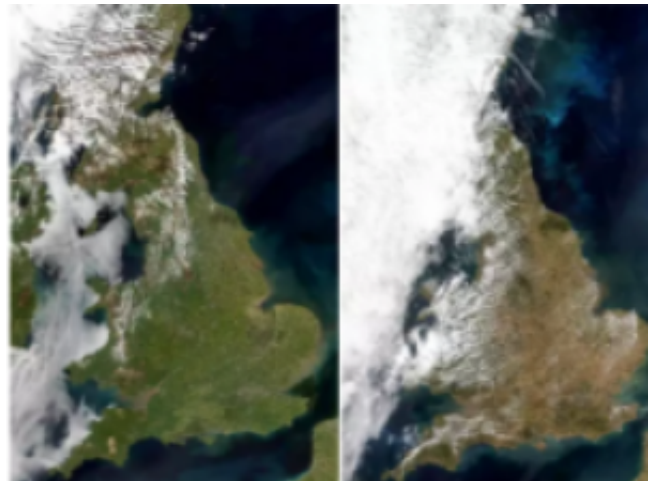

Once you have selected the right artificial grass type for your ideal installation, simply use the size calculator tool to input your lawn size, which ensures you buy the correct quantity. Add your selection to the basket and visit the checkout, where you can add your discount code in the space provided. Your

discount will be calculated, and you will save £££s on your latest project for the garden.

Autumn is the ideal time to plan and install your new artificial lawn before the winter months are upon us. Once the area is prepared, and your lawn installed, it will continue to look beautiful no matter what the UK weather throws at it.

In addition to offering our amazing autumn sale, PermaLawn also stocks end-of-roll bargains in our Derby-based shop. Pop in if you're passing and take advantage of even more artificial grass deals. Don't miss out, head over to www.perma-lawn.co.uk to grab your discount now.

About PermaLawn: PermaLawn is owned and operated by Permaroof UK Ltd, the country's leading provider of genuine, high-performance Firestone EPDM rubber roof membranes and accessories and industry training. To find out more about Permaroof, please visit <http://www.permarroof.co.uk/>
