

Chromax High Visibility M5 Golf Balls.

Sold in Gold, Yellow, Neon Green, Silver, Pink, Orange, Blue and Purple at the 2019 PGA Show

Boulder, Jan 21, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Chromax® Golf Company, is proud to attend the 2019 PGA Merchandise Show. Chromax® most advanced High Visibility Models M5 golf balls (sold in colors: gold, yellow, neon green, silver, pink, orange, blue and purple) and Distance golf balls in gold, neon green, and silver will be on display. M5 and Distance balls are listed on the current USGA and R&A Conforming golf ball list.

Buyers purchasing [Chromax Colored Golf Balls](#) at the show from Chromax® authorized Distributors, Hornung's Golf Products Inc., ProActive Sports and J&M Golf Inc. (min \$125 order), qualify for a complimentary Chromax 6-pack from the Chromax® booth #2965, with proof of purchase and while supplies last. Chromax® will also hold an hourly raffle.

Chromax® values the opportunity to meet new buyers, Distributors and players at the show, to continue growing interest in the benefits of these unique, patented reflective colored golf balls and their play performance.

Chromax® Golf is located at 3468 Sunshine Canyon Drive in Boulder, Colo., 80302. Chromax® manufactures the M5 (75 compression) and the Distance (90 compression) golf balls. Chromax® golf balls Conform to USGA and R&A Rules. All styles have a patented fluorescent reflective layer under a clear translucent cover. The balls are produced in easy-to-track colors that offer enhanced visibility and performance. For more information visit <https://chromaxgolf.com> or call (303) 219-0868
