

David Hamilton Talks Legacy On The Celebrity Property Panel In Los Angeles

Real estate expert and Senior Managing Partner at Hamilton Property Partners, David Hamilton, features on a property panel with Hugh Hilton, George Ross, JT Foxx & Vanilla Ice in Los Angeles

Los Angeles, Jan 28, 2019 (IssueWire.com) - David Hamilton is a real estate expert that has become one of the most sought-after resources in real estate. The Senior Managing Partner at Hamilton Property Partners was recently invited to share his opinion in a panel of celebrities and world-renowned property investor gurus. The exclusive event took place in Los Angeles, USA. They talked about the prospect of real estate and the opportunities in the sector.

David Hamilton and his wife Shervonne Hamilton are property investors that are changing lives in Birmingham. Hosted by JT Foxx, the World's #1 Wealth and Business Coach, Mega Success are known as the Premier League of business and real estate with an audience of over 2500 entrepreneurs and investors from over 47 countries worldwide. Over the years, The Hamiltons' and their team are investors that have continued to provide innovative real estate investment solutions to UK residents and investors. This fact was reiterated during the summit when David said, "Our unique options relieve the pain of distressed homeowners, and turn high-interest rates into passive income for our investors."

What stood out most from their discussion is when each person sitting at the round table talked about

what they want their legacy to be. With David saying, “For us Hamilton Property Partners, our legacy is in changing people’s lives by giving them options to generate wealth even during uncertain economic times.”

The Hamilton’s continued to say, “The company’s mission is not only to buy homes of distressed homeowners but to actually provide them with alternative choices, help them save their legacy rather than to exploit their hard times.”

David and Shervonne also work with individuals to create passive income for them as opposed to leaving their money idle in the bank and even paying high-interest rates on them. This is in addition to working with motivated home sellers to create generational wealth.
