The brilliant artist, Stereo NU-55 is attracting a lot of attention for his newest launch 'Searching I'm lost'. You can listen to the enticing track on Soundcloud.

Owensboro, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - If you don't know what to start your year 2019 with, **Stereo NU-55's** latest track '**Searching I'm lost**' can be the perfect track for you. Using his production house Landr, he brings forward tracks which have got a fusion of various genres thus presenting something for everyone. This time he has hit the public with his latest sensational track

'**Searching I'm lost**'. Though he generally focuses on electronic music, and classic rock influences, for his newest creation he takes the help of pop genre. When he stepped into this music world his main focus was to revolutionize the electronic music. Being from Kentucky, USA, he brings the lively culture of the place into his creations.

The track '[Searching I'm lost](#)' has a clean crisp set of visuals imbibed into this song for which you won't require any pictorial display. The lyricism that is inserted into this song is kept to a bare minimum to allow the listeners to let loose their imagination. The artist controls the song with his muscle fusion. Though '**Searching I'm lost**' is based on the pop genre, you will get faint traces of elements that will symbolize influence from the soul is taken as well. The digital soundscape provided in the track will hypnotize you from the very beginning.

Apart from this [multimedia music producer](#), originally works with synth pop music with classical influences of rock, pop and retro music to redefine the digital soundscape. Some of **Stereo NU-55**'s other tracks which stand out for their creativity and innovativeness are '**I Am Mic Jaguris**', '**Roads**', '**Bullwinkle**' etc. Though each of the tracks has been composed by him, each of them is characterised with diverse sound effects that will please many listeners. His exotic singles will no doubt be the highlight of the contemporary music field. You can find him on [Facebook](#).
